THURSDAY, JUNE 13

## "THE WAIT IS OOOVER!"

So exclaimed an enthusiastic Drew Pearson at the opening of The Original 88™'s Pro Football Hall of Fame induction speech in 2021. We hear you, Mr. Pearson.

At Datamax, we believe the spirit of "Raving Fans" goes both ways. Of course, we want to Create Raving Fans out of everyone we serve. However, it's important to us that we also demonstrate to clients and community friends how much we appreciate their trust and support. Frankly, it's been far too long since we welcomed YOU to our home to do so.

The wait is over. We cordially invite you to Datamax FANFEST -2024, a festive, informal Customer Appreciation Open House where we'll feature some great new technology, feast on some Hard Eight Barbecue, and of course, hear from Dallas Cowboys Hall of Famer Drew Pearson.

## SO WHAT'S FANFEST?

Essentially, as YOUR Raving Fan, it is an opportunity to demonstrate our appreciation for YOU.

For Texas Rangers fans in 2023, the wait was finally over as well. In that same World Series-winning spirit, FANFEST is a chance for our team to celebrate loyal supporters and recognize them in a relaxed setting.

At FANFEST-2024 we promise a festive atmosphere of food, fellowship, and some famous insights from the Original 88™.

After all, creating – and celebrating – Raving Fans remains at the heart of what we do at Datamax. We CAN'T WAIT to see you at FANFEST-2024.
